In this agreement Sublet means LMS Transport (LMS) & LMN Incorporated (LMN). Owner means owner and/or any general contractor (customer) and/or agent or owner. This is a proposal per owner's request, not a complete property evaluation.

1. Standard Exclusions: Engineering, Soils Test, Permits, Compaction Test and/or Inspection Fees unless noted.
2. Prices are firm for thirty (30) days from the date of the proposal unless otherwise stated.
3. Owner agrees to indemnify Sublet from any claim or suit for bodily injury or property damage arising from the design construction or installation of speed bumps or wheel stops.
4. Any changes required by owner shall be authorized in writing and paid by owner at Sublet prevailing rates unless quoted and agreed upon in writing.
5. Owner agrees to furnish to jobsite necessary and adequate water supply at owner's expense.
6. Sublet assumes no liability for damage to underground pipes, septic tanks, cesspools or other underground structures; and any extra expense caused by the Sublet by the existence or location thereof shall be charged to buyer.
7. Owner agrees to pay attorney's and court costs in event suit is instituted to collect amounts due Sublet.
8. If work is performed according to owner's specifications of labor and materials, Sublet does not assume responsibility for the defects.
9. If work is to be performed by Sublet to provide labor and material in a workmanlike manner to accomplish the owner's purposes, Sublet agrees to repair or replace any defects of which owner gives notice to Sublet within 5 days after completion of work.
10. Delays or damage caused by building trades other than Sublet not employed by Sublet, shall be owner's responsibility.
11. Sublet shall be responsible for clean-up and removal of Sublet work and materials only.
12. If asphalt compaction tests are required by customer or agency, these must be performed while asphalt is being laid. Tests performed at a later date are not an acceptable method, and we assume no responsibility for those results.
13. Sublet is not responsible for proper drainage.
14. Grades are to be furnished plus and minus one tenth (.10) of a foot with dirt to balance.
15. Jobsite must be accessible to heavy equipment.
16. Workers compensation will be covered by the Owner for the Sublet employees for this project only.
17. Owner agrees to pay sublet, in full, based on the net terms under Inclusions on page 1. If an invoice is not paid within the term, a 3% fee will be assessed to the total, compound monthly. After 30 days, a 5% fee will be assessed to the total, compounded monthly. Signing this contract is the Owners recognition and approval to pay all invoices, in full, within the term.

Requirements:

For any bid proposal submitted on or after March 1, 2015 and any contract for public work entered into on or after April 1, 2015, the following registration requirements apply: Every Subcontractor is required to be registered to perform public work pursuant to Section 1725.5 of the Public Contract Code ("Section 1725.5"). No Contractor or Subcontractor shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered to perform public work pursuant to Section 1725.5. No bid shall be accepted nor any subcontract entered into without proof of the Subcontractor's current registration to perform public work pursuant to Section 1725.5.

Granite Construction Company is signatory to Operating Engineers, Laborers, Cement Masons and Carpenters unions. 100% performance and payment bonds may be required for the full amount of subcontract price. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting Granite's requirements and will be required to sign the standard Granite Subcontract Agreement. A copy of the insurance requirements and primary contractual terms are available through the SmartBidNet project website. The full agreement can be obtained by contacting the estimator.

Requirements:

For any bid proposal submitted on or after March 1, 2015 and any contract for public work entered into on or after April 1, 2015, the following registration requirements apply: Every Subcontractor is required to be registered to perform public work pursuant to Section 1725.5 of the Public Contract Code ("Section 1725.5"). No Contractor or Subcontractor shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered to perform public work pursuant to Section 1725.5. No bid shall be accepted nor any subcontract entered into without proof of the Subcontractor's current registration to perform public work pursuant to Section 1725.5.

Granite Construction Company is signatory to Operating Engineers, Laborers, Cement Masons and Carpenters unions. 100% performance and payment bonds may be required for the full amount of subcontract price. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting Granite's requirements and will be required to sign the standard Granite Subcontract Agreement. A copy of the insurance requirements and primary contractual terms are available through the SmartBidNet project website. The full agreement can be obtained by contacting the estimator.

Requirements:

For any bid proposal submitted on or after March 1, 2015 and any contract for public work entered into on or after April 1, 2015, the following registration requirements apply: Every Subcontractor is required to be registered to perform public work pursuant to Section 1725.5 of the Public Contract Code ("Section 1725.5"). No Contractor or Subcontractor shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered to perform public work pursuant to Section 1725.5. No bid shall be accepted nor any subcontract entered into without proof of the Subcontractor's current registration to perform public work pursuant to Section 1725.5.

Granite Construction Company is signatory to Operating Engineers, Laborers, Cement Masons and Carpenters unions. 100% performance and payment bonds may be required for the full amount of subcontract price. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting Granite's requirements and will be required to sign the standard Granite Subcontract Agreement. A copy of the insurance requirements and primary contractual terms are available through the SmartBidNet project website. The full agreement can be obtained by contacting the estimator.

Clarifications:

- 1 HMS Construction will need 5 nights of single lane closures at the Traffic Signal Locations, 6 nights of Ramp closures at the ramp meter loop locations, & 8 nights of mainline (2 lane) lane closures for the TMS loop locations
- 2 Contractor is to prepare all work areas so as to be acceptable for our work under the subcontract. HMS will not be called upon to start work until sufficient areas are ready to insure continued work. The Contractor shall furnish all traffic control at no cost to HMS.
- 3 This proposal is based on work being performed during the day or night (as needed), based on a normal 8-hour workday, 40-hour per week basis.
- 4 Maintaining the temporary electrical systems does not include temporary relocation of lighting signal and equipment.
- 5 Demo provided as Safe-Off only.
- 6 We reserve the right to review your Contract for mutual acceptance.

- 7 Any change in sequence or duration will be mutually agreed by HMS and prime contractor prior to acceptance.

Dayton Superior Corporation ("Dayton") Terms and Conditions of Rental/Sale ("Terms")

These Terms apply to all Dayton sales and rentals of products ("Product(s)"). If Dayton issues a quotation or proposal ("Quotation") to its customer ("Customer") that the Customer timely accepts by issuance of a purchase order or by acceptance of Products (or by other means acceptable to Dayton), the Quotation and these Terms will constitute the entire agreement between Dayton and Customer with respect to the Products (collectively, the "Contract"). Otherwise, the entire Contract shall consist of Dayton's order acknowledgement and these Terms. By issuing a purchase order against a Quotation or accepting Products, Customer expressly agrees that these Terms govern and that no other terms shall apply unless in writing and signed by an authorized representative of Dayton. Dayton expressly rejects any additional, inconsistent or conflicting terms proposed by Customer. Clerical errors are subject to correction in all cases.

1. Purchase Price or Rental Charge; Payment. Quoted prices or rental charges are firm only for orders placed against the Quotation within 30 days after it is issued and are valid only if all items, quantities and sizes listed in the Quotation or order acknowledgement are purchased or rented and only if the Products are to be shipped within Dayton's normal production and shipping schedule. Orders otherwise are subject to revised pricing. Quotation prices and rental charges do not include, but are subject to, taxes and all other governmental charges that may be imposed at any time, including sales, use and similar taxes. Dayton shall invoice and Customer shall pay or reimburse Dayton for any such amounts. Purchase charges shall be invoiced at the time of shipment. Customer is responsible for payment of all made-to-order products, even if Customer cancels the order and the products do not ship. Rental charges shall be invoiced monthly, with charges beginning on the date of shipment and ending on the date the Products are returned to Dayton's warehouse, as shown on shipping documents. Customer agrees to pay for a minimum of one month's rental, with any additional partial months being pro-rated, with each week assumed to have seven days and each month assumed to have twenty-eight days. Except as expressly agreed otherwise in the Quotation or order acknowledgement, Customer shall pay each invoice within 30 days after the date of invoice. All payments shall be made without set-off, deduction or counterclaim. Interest at the rate 1-1/2 % per month, or the maximum allowable by law, shall apply to balances on invoices 31 days past due and until paid.

2. Delivery; Risk of Loss; Inspection and Claims. Unless expressly agreed in the Contract, Dayton does not guarantee or assume any liability for failure to meet any delivery date proposed or requested by Customer or Dayton. In the case of paving Products, Customer shall provide Dayton with a requested delivery date at the time of order. Prior to the order entering production, Dayton will contact Customer to verify the requested delivery date and Customer shall, by electronic mail, fax, or letter, confirm in writing the requested delivery date. Dayton will not begin production on the order until this written confirmation is received from the Customer.

Unless otherwise agreed at the time of order, all Products will ship FOB Dayton's shipping point, prepaid, via Dayton's selected carrier and Customer shall pay all transportation charges from Dayton's shipping point to destination, with shipping charges added to Customer's invoice. Title and risk of loss shall pass to Customer upon delivery to the carrier at Dayton's shipping point. Customer shall inspect Products upon receipt at the destination and notify Dayton in writing of any shortages or readily ascertainable damaged or defective Products within 72 hours after delivery. Failure of Customer to timely notify Dayton shall relieve Dayton of any liability. All claims for loss or damage in transit must be made by Customer against the carrier.

3. Customer Pick-up/3rd Party Carriers. At the time of order, Customers may arrange to pick up orders when available at identified Dayton facilities and/or request Collect or 3rd party billing on a Customer-specified carrier if preferred (FOB Origin). For LTL/parcel shipments requested Collect or 3rd party bill, Dayton will make the arrangements directly with the Customer-specified carrier. For truckload shipments, the Customer may make their own arrangements or provide carrier information for DAYTON to make the arrangements. The following guidelines will also apply.

- a. **Accessory and Chemical Products**—In the case of Customer pick-up or Customer arranged freight, DAYTON will hold the ordered Products on its docks for a maximum of five (5) business days from the date of order. If the Customer/Carrier fails to pick up the ordered Products by the end of the fifth business day, Customer agrees that either: (i) by the end of the sixth business day, Customer will instruct DAYTON to arrange for freight and have the freight charges added to the Customer's order and invoice; (ii) if the Products are not made-to-order, the order will be cancelled and Customer agrees to pay Dayton a restocking fee of 25% of the value of the order, which will be invoiced to the customer; or (iii) if the Products are made-to-order, the order will be cancelled, Customer shall pay Dayton the full price of the order and Dayton shall have no obligation to retain or store the Products.
- b. **Paving Products**—In the case of Customer pick-up or Customer arranged freight, DAYTON will hold the ordered Products on its docks for a maximum of ten (10) business days from the date of order. If the Customer/Carrier fails to pick up the ordered Products by the end of the tenth business day, Customer agrees that either: (i) by the end of the eleventh business day, Customer will instruct DAYTON to arrange for freight and have the freight charges added to the Customer's order and invoice; or (ii) it will incur a \$500.00 per day handling and storage charge that will be added to the Customer's invoice until the order is picked up or delivered.
- c. **Forming Products**—In the case of Customer pick-up or Customer arranged freight, Customer shall provide Dayton with a requested delivery date at the time of order. Dayton will contact Customer to verify the requested delivery date and Customer shall, by electronic mail, fax, or letter, confirm in writing the requested delivery date. Dayton will not begin pulling the order for shipping until this written confirmation is received from the Customer. Dayton will hold the ordered Products on its docks for a maximum of ten (10) business days from the date of order. If the Customer/Carrier fails to pick up the ordered Products by the end of the tenth business day, Customer agrees that either: (i) by the end of the eleventh business day, Customer will instruct DAYTON to arrange for freight and have the freight charges added to the Customer's order and invoice; or (ii) it will incur a \$500.00 per day handling and storage charge that will be added to the Customer's invoice until the order is picked up or delivered.

4. Ownership and Use of Rental Products. Dayton shall retain title to rental Products. Customer shall have the option to purchase rental Products if and to the extent set forth in the Contract, subject to these Terms. Customer shall not make any alterations, additions or improvements to, and shall not deface, remove or cover any Dayton markings on, rental Products without Dayton's prior written consent. Upon request, Customer shall advise Dayton as to the exact location of rental Products and agrees not to move rental Products without Dayton's prior written consent. Dayton shall have the right to enter Customer's premises or other location of the rental Products at reasonable times and with reasonable notice to Customer, to inspect Dayton rental Products. Customer shall keep rental Products free and clear of all liens, levies and encumbrances (other than those of Dayton). Customer irrevocably authorizes Dayton to execute and/or file a financing statement or other notice in any jurisdiction with respect to the lease created by the Contract. Rental Products do not include wood of any kind, except as part of a prefabricated panel or other prefabricated rental Product. Customer shall be responsible for unloading, cleaning, assembling and erection of rental Products. Customer shall cause rental Products to be used only by competent operators in a safe and proper manner in compliance with all applicable laws, rules, regulations and the manufacturer's instructions (including maintenance) and solely for the purposes for which they are intended.

5. Limited Warranty. Dayton warrants, for a period of 60 days from the date of shipment (three years from the date of shipment in the case of formwork, excluding any consumable Products included with such formwork), that Products and any associated application drawings and engineering services provided by Dayton

("Ancillary Services") will be free from defects in material and workmanship and, in the case of custom designed formwork, that the formwork will meet the specifications set forth in the design drawings approved by Dayton and Customer. Any claim under this warranty must be made in writing within such warranty period. If any Product and/or Ancillary Service covered by a timely claim are found to be defective, Dayton will, within a reasonable time, make any necessary repairs or corrections or, at Dayton's option, replace the Product. Unless pre-authorized by Dayton in writing, Dayton will not accept any charges for correcting defects or accept the return of any Product. This warranty will not apply to any Products that have been subjected to misuse, neglect, storage damage, misapplication, accident or any other damage caused by any person other than Dayton, or that have not been maintained in accordance with Dayton's specifications. **THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AS TO THE PRODUCTS AND ANCILLARY SERVICES. DAYTON MAKES NO OTHER WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, AND EXPRESSLY EXCLUDES ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. THE REPAIR/REPLACEMENT REMEDIES SET FORTH IN THIS SECTION ARE CUSTOMER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY.**

6. Limitation of Liability. Dayton's liability under any Contract and at all times with respect to the Products and the Ancillary Services shall in any event be limited to direct damages (which expressly excludes lost profits, revenues, incentives and back charges) and then only to, at most, the purchase/rental price of the relevant Products paid by Customer. Dayton shall have no other liability to or through Customer whatsoever, whether based on breach of contract, negligence, gross negligence, strict liability or otherwise. **IN NO EVENT SHALL DAYTON BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, REVENUES, LOST INCENTIVES OR BACK CHARGES) ARISING OUT OF OR IN CONNECTION WITH THE CONTRACT, THE PRODUCTS OR THE ANCILLARY SERVICES.**

7. Contingencies. Dayton shall not be responsible for delays in performance caused, directly or indirectly, by any act of God, accident, war, force of arms, fire, elements, riot, labor dispute, strike, sabotage, civil commotion, act of terrorism, government action, transportation interruption, inability to obtain materials or labor, Customer's failure or delay in approving any design or other drawings or any other contingencies beyond Dayton's reasonable control.

8. Risk of Loss and Insurance. From the date rental Products are shipped until returned to Dayton, Customer shall bear the risk of loss/damage to Products, whether or not insured. Customer shall, at its expense, maintain rental Products in good repair, condition and working order, normal wear and tear excepted. In the event of any loss/damage to rental Products, Customer shall place the same in good repair, condition and working order, or, if Customer fails to do so, shall, at Dayton's election, pay to Dayton the full, un-depreciated replacement cost of the Products plus all unpaid rent through the date of payment. Customer shall keep rental Products insured against all risk of loss/damage by customary property and casualty insurance for the full un-depreciated replacement value (new) and shall carry public liability insurance, both personal injury and property damage, covering the rental Products and their use. All such insurance shall name Dayton as an additional insured/loss payee, shall provide Dayton not less than 30 days' written notice of cancellation and shall be of a type and form, with terms and in amounts, and with companies reasonably satisfactory to Dayton.

9. Indemnification by Customer. Customer shall be responsible for, indemnify, defend and hold Dayton harmless from and against all liabilities, claims, judgments, costs, damages and expenses (including reasonable attorney's fees and expenses), including for personal injury, death, property damage or otherwise, arising out of or relating to the use of the Products and/or the Ancillary Services and any other act, or omission by Customer or any subcontractor, agent, sublessee, employee, or purchaser of or from Customer with respect to the Products and/or the Ancillary Services, unless resulting from the gross negligence or willful misconduct of Dayton. If Customer subleases rental Products or resells purchased Products, Customer shall include language in an agreement with its purchaser that makes these Terms (including the limitations set forth in paragraph 5) binding on Customer's sublessee or purchaser and any subsequent purchasers of the Products, including binding sublessee or purchaser to these obligations of indemnification in addition to Customer.

10. Documentation; Product Data. Any specifications, plans, drawings or application recommendations furnished by Dayton to Customer ("Documentation") are provided only as a service to Customer to conceptually illustrate the assembly and use of Products. Such Documentation is not intended to be fully directive nor to cover all engineering details on Products, on products or materials not furnished by Dayton, or on their interconnection. Inasmuch as Dayton does not control jobsite assembly or procedures, grade or quality of materials, or equipment supplied by others, it is the responsibility of Customer to integrate Documentation into composite drawings and information suitably complete for construction purposes. In the case of custom designed formwork, design drawings will be furnished by Dayton for Customer's approval prior to any fabrication by Dayton. Dayton shall not be responsible for any deviations, changes or alterations to the recommended assembly details described in forming layout drawings unless such deviations, changes or alterations are illustrated in a revised design drawing provided by Dayton or are approved in writing by Dayton. Dayton shall at all times retain ownership of all Documentation and other technical data ("Product Data") with respect to the Products and the Ancillary Services, and unless duly authorized by Dayton, Customer shall not disclose any such Product Data to any other person. Upon Dayton's request, Customer promptly shall return to Dayton all copies of Product Data.

11. Default; Termination. If Customer fails to timely pay any invoice or to perform any other obligation under the Contract, or if Dayton deems itself insecure or determines that any rental Products are at risk of being damaged, lost or removed from Customer's control, Customer shall pay immediately upon notice from Dayton an amount equal to the sum of (i) any unpaid invoices and (ii) all un invoiced and unpaid amounts, including rental charges, through the later of the date of payment or the return of the Products. In such event, all rights of Customer in the rental Products shall terminate absolutely and, upon any termination (whether by expiration of the rental period, Customer's failure to perform any obligation under the Contract or otherwise), Dayton shall have the right, without notice or demand, to take possession of the rental Products, wherever located, at the expense of Customer. Notwithstanding, Customer shall promptly return the rental Products, at Customer's expense and at Dayton's instruction, and pay for any damage to the Products, ordinary wear and tear excepted.

12. Expenses. Customer shall reimburse Dayton's expenses (including, but not limited to, court costs, interest and reasonable attorneys' fees and expenses) in collecting any amounts owed by Customer arising out of the Contract, including, but not limited to, expenses incurred by Dayton in protecting its rights under the Contract and/or recovering and/or repairing any rental Products.

13. Compliance with Governmental Requirements. To apply, any standards or requirements of law or governmental regulations must be expressly and specifically set forth in writing in the Contract. Otherwise, Dayton shall have no liability or obligation to Customer with respect to the failure of the Products to comply with any such standards or requirements.

14. Governing Law and Exclusive Jurisdiction. The Contract shall be governed by, and construed in accordance with, the laws of the State of Ohio without giving effect to the conflict of law principles, shall be binding upon any and all successors and assigns of the parties hereto and shall not be construed in whole or in part against any party solely because of the fact that the party drafted it. The exclusive jurisdiction for any dispute arising out of the Contract shall be in a court of competent jurisdiction located in Montgomery County, Ohio, the parties agree to personal jurisdiction and that all discovery, including depositions, shall be conducted therein.

15. Miscellaneous. The Contract may not be amended except in writing and signed by an authorized representative of Dayton. Customer may not cancel orders under this Contract for customized Products without Dayton's written consent. Customer shall not assign the Contract or sublease any rental Products without Dayton's prior written consent and the full release of Dayton from any obligations with respect to the Products. Any provision of the Contract that is invalid under applicable law or court order shall not in any way invalidate or affect the remaining provisions of the Contract.

Pricing assumptions:

- Rates do not include payment and performance bonds, prevailing wages or certified payroll. No retention on transportation and disposal line items will apply.
- Certified payroll is an additional fee of \$400.00 per payroll report.
- This quote MUST be signed and returned prior to hauling soil.
- Rate includes waste profiling and scheduling with landfill and pre-printed manifests.
- Assumes the waste meets landfill permit requirements. Analytical to be provided by others.
- Loads must have less than 5% of debris or vegetation per load to be used as alternative daily cover.
- Soil must be greater than 50% solids and meet paint filter test.
- Soil must contain less than 50ppm TPH as gasoline and/or VOCs.
- Trucking demurrage due to on-site equipment failure or on-site access issues applies 30 minutes after the scheduled dispatch time or 30 minutes after the wait begins. BTI will schedule the trucks at intervals determined by ~~Construction~~ Construction, 10 mins apart, 15 mins apart whatever ~~Construction~~ Construction requests. Demurrage charges do not start until 30 mins from the trucks scheduled time. Also, if BTI is only providing transportation service, trucking demurrage will apply for standby time incurred at the landfills/discharge location. Demurrage is \$95.00 per hour.
- Certified landfill scales will be used for final weights and billing.
- Fees included in rates: Profile Fee, Environmental Fee, Fuel Recovery Fee, 2016 BOE remediation land disposal fee, County Fees, Road Mitigation Fee (Forward only), AB939 Compliance Fee, as known of at the date of this proposal. Bridge tolls, if incurred, are an additional pass through fee.
- Only the taxes and fees stated in this proposal are included. Any additional fees or taxes assessed on generators or transporters of waste will be billed to customer when billed or charged to BTI.
- Others are responsible for the maintenance and upkeep of the haul roads and access roads, which includes but is not limited to dust control, surrounding street cleanliness, grading and purchase of rock if necessary. Proposal does not include tarp racks, truck decon or traffic control personnel or signage.
- Truck availability is based on industry demand. The number of trucks available at the time of the project cannot be guaranteed and every effort will be made to accommodate the project needs.

- Once the project paperwork and waste approval are confirmed complete, BTI requires a minimum advance notice of 5 days for scheduling trucks at the site.
- Others are responsible for all truck loading.
- Assumes consecutive days of off haul during daytime hours
- Assumes onsite hours of operation are between 7:00 am-4:00 pm
- 23 tons per load minimum on all loads for transportation & disposal.
- No loads will be billed at \$750.00 per load.
- Rates do not include RCRA hazardous direct landfill or treatment waste. Rates do not cover TSCA regulated-PCB contaminated waste
- Hazardous loads must be off-site by 11:30 so that trucks are able to dump same day.
- Transportation based on current diesel rate of \$2.45 per gallon.
- Project Manager/Truck Boss for each day of off-haul: Upon request, BTI will have a 40hr Hazwoper trained Project Manager on-site to manage on-site trucks, including equipment inspections, driving rules and approved truck routes and manifest loads. Rate includes pickup truck and wages for the day. Daily rate of \$540.00 per day and subsistence, if needed, of \$125.00 per day.
- Quote is good for 30 days.
